

“Custom Speech USA Nominated For Award,” **Crown Point STAR** (September 12, 2002, p. 2)

CROWN POINT – Ted Rosdil and the employees at Custom Speech USA have invested a lot of time and effort into automatic speech recognition systems.

The work is paying off. The Crown Point business has been nominated for an award in the automatic speech recognition (ASR) software competition sponsored by Speech Technology magazine.

Custom Speech USA has lofty competition for the award. Other nominees include IBM, Microsoft and ScanSoft.

Rosdil, business manager at Custom Speech USA, thinks his company has a good chance to win, but he’s asking for help.

You can vote for Custom Speech USA on the Internet.

To show your support, go to www.customspeechusa.com and click on the Speech Solution Awards icon.

After connecting to the Speech Technology site, go to the second drop down, Best ASR Solution/Desktop. Select Custom Speech USA. After completing your selection, click the submit button.

Votes must be submitted by Sept. 15.
